LIGHT THE WAY FOR THE REST TO FOLLOW

Add Style To Your Ride

ALPHA PRO LED Light Bars and Work Lights are built to last and ready for any adventure. Our lights come in Combo, Spot, and Flood.

Features: **Light Bars:** High Lumen 6000K, extremely bright. Quick light-up for better visibility. **Work Lights:** High Lumen 6500K, extremely bright. Quick light-up for better visibility. **Beam Angles:** Flood beam angle (30 degrees or 60 degrees), Spot light beam angle (8 degrees) LED: High intensity Epistar LED's, each LED 3 watts. **Light Color:** White. **Body Color:** Black. **Light Bar Waterproof Rating:** IP67 and made of high quality aluminum with PMMA tough PC material for the lens. **Work Light Waterproof Rating:** IP67 and made of high quality aluminum with PMMA shatter-proof glass material for the lens.

5 Series Combo LED Light Bar

ALPHA PRO LED Light Bar Series

INPRO CAR WEAR

B1 Bottom Mounting Hardware for 5 and 6 Series Light Bars

- Universal Fitment
- Mounting Hardware is included
- Professional Installation Recommended
- Great for off-road vehicles, ATV'S, UTV's, construction vehicles, farm vehicles and trucks
- Lightweight, durable, and energy-saving
- Dedicated bright light to help you to control the road
- LED Light Bars generate powerful light to illuminate even the darkest of off-road
- Longer valid irradiation distance than normal halogen bulbs

S1 Side Mounting Hardware for 7,10 and 11 Series Light Bars

B3 Bottom Mounting Hardware for 8 Series Light Bars
